	)	<b>NOTED: February 3, 2017</b>
DAVID TIPPENS,	)	
	)	
Defendant.	)	

COMES NOW DEFENDANT, David Tippens, by and through his counsel, Assistant Federal Public Defender Colin Fieman, and moves this court to order the Exhibits to Defendant's Second Motion to Suppress Evidence be filed under seal and secured from public access until further order of the court.

This motion is based upon the sensitive and confidential nature of information contained in said documents which, if made public, could result in harm to the government.

The public's right of access is therefore outweighed by the interests of both the public and the parties in protecting said files, records, and/or documents from public view, thereby constituting compelling reason to order the exhibits to be sealed.

DATED this 26th day of January, 2017.

Respectfully submitted,

s/ Colin Fieman

Colin Fieman, Attorney for David Tippens
